Financial Support

Inspiring communities to become better places to live.

OUR CORE VALUES....

Each member of Exchange holds near to their hearts three core values - Family, Community and Country.

Commitment to Family is interpreted not only as one's own family needs, but also those of all American families. Strengthening families, with a focus on youth, is addressed in many ways through Exchange's Programs of Service.

Commitment to the Community where an Exchangite resides is the focal point for each club's efforts. Exchange is unique as a service organization in that it has flexibility to structure projects that target the needs of a particular geographic location, rather than being restricted to a certain cause.

Commitment to Country was born in the aftermath of World War II, a time of unquenchable patriotism. Exchangites are proud to join veterans and other civic groups in promoting Americanism as the rich blessing of democracy and freedom, and in educating today's youth to cherish its values.
